(PRESENTED TO PARLIAMENT PURSUANT TO ACT 32 & 33 VICT. c. 45, s. 37.)

*Ordered, by The House of Commons, to be Printed,
10 June 1879.*

ELEVENTH REPORT.

REPORT of the COMPTROLLER and AUDITOR GENERAL upon the ACCOUNT of the COMMISSIONERS of CHURCH TEMPORALITIES in Ireland, from 1st January to 31st December 1878; prepared and submitted to Parliament in pursuance of the 37th Section of the Act 32 & 33 Vict. c. 42.

1. REFERRING to my Reports from the year 1872 up to the present time, it will be seen that I have annually called the attention of Parliament to the Stock, amounting to 645 l. 19 s. 1 d., invested in the names of the Minister and Churchwardens of St. Werburgh's Parish, which it was supposed should vest in the Irish Church Temporalities Commissioners. Stock invested in the names of the Minister and Churchwardens of St. Werburgh's parish not yet credited.

I have recently renewed my inquiries on the subject, and the Commissioners on the 12th instant informed me that they "expect that the case, which has been most carefully investigated, will soon be finally decided."

It may be observed that the claim to this Stock has now been seven years under investigation.

2. It has been ascertained that in many cases where properties have been sold to purchasers who were to pay for the same partly in money, and partly by mortgages to be paid off by instalments or otherwise, the mortgages have not been executed; but as in the course of time the mortgage moneys have been paid, it has now been thought unnecessary to prepare the mortgage deeds. Mortgages not prepared.

3. The following deeds, &c., were not furnished for inspection when my Examiners were recently in Dublin:— Deeds not furnished for inspection.

Perpetuity Deeds for the year 1878	-	-	-	-	-	3
Sales of Renewable Leases for the years 1876 to 1878	-	-	-	-	-	18
Sales of Perpetuity Rents for the years 1875 to 1878	-	-	-	-	-	55
Sales of Yearly and other Tenures for the years 1871 to 1878	-	-	-	-	-	293
Sales of Ecclesiastical Residences and Lands, years 1872 to 1878	-	-	-	-	-	26
Apprenticeship Orders on the Rentals of 1872	-	-	-	-	-	3

The whole of the merging orders for the year 1878, 758 in number, have not yet been prepared.

The numbers of deeds and mortgages which have not yet been completed, contrast favourably with those which were stated in my last Report to be then outstanding.

4. Although the numerous sales and conversions have somewhat decreased the number of rents to be collected, still the uncollected arrears bear favourable comparison with those of last year. Rents. Title and Lease Rents.

5. The 8th Section of the Act 41 & 42 Vict. c. 66, provides that "for the purpose of carrying this Act into effect, the Commissioners of Church Temporalities in Ireland shall, out of the property accruing to the Commissioners under the Irish Church Act, 1859, when and as required by the Board, provide for the use of the Board, either in cash or in securities or rent-charges of an equivalent value, such amount, not exceeding in the whole 1,000,000 l. sterling, as the Board shall estimate to be required for the purpose of this Act." Intermediate Education Grant.

The Commissioners of Intermediate Education having by letter of 25th November 1878 applied to the Irish Church Temporalities Commissioners for 1,000,000 l. sterling, under the provisions of this Act, they were accordingly furnished with ten debentures for 100,000 l. each, guaranteed by the Lords Commissioners of Her Majesty's Treasury.

6. The balance on the 31st December 1878 is stated to be 328,178 l. 5 s. 2 d.; to this should be added the disallowances on the previous account, 702 l. 1 s. 4 d. Balances included.

The balance on the Account should therefore, in my opinion, be 328,880 l. 6 s. 6 d., and not 328,178 l. 5 s. 2 d., as stated by the accountants.

Comptroller General of the Receipt and Issue of
Her Majesty's Exchequer, and
Auditor General of Public Accounts.
